Around the World

Week 7: July 30 - August 3

Hello! Bonjour! Konnichiwa! We're packing our bags for a trip around the world to learn about different cultures through language, food, music, dance and art. It's a small world after all!

Bucket Activities

Creative Corner	STEM	Movement
Discover the world around us, from the icy glaciers of Canada to the steamy deserts of Egypt! We'll be learning about flags, enjoying candy sushi, and making a Pharaoh headdress and collar.	How many words does an Eskimo have for snow? We'll be creating our very own arctic inukshuks, 3D modeling pyramids, building an Aztec sundial, and making a tsunami in a bottle.	Shake your maracas in the sombrero dance relay, play pool noodle hockey, and walk like an Egyptian before battling it out in a samurai vs. ninja competition!
